**Subject:** SMS Rule WQ Assessment Listing Process Presentation for Discussion  
**Attachments:** 303\_d\_final DECEMBER\_5.pptx

All:

Attached is a presentation I will go over briefly at our meeting today to spawn discussion points. Some of this you have seen before, but our focus today will be equivalence between Listing (WQ) and Delisting (TMDL Alternative) as well as consistency between the new listing process and old listing process and the logic in doing so. Ecology we also attempt to interpret our SMS process and terms.

I will have hard copies for those in attendance.
